Time's Out

pushing together
with everlasting
spirit

soundless echoes of
our victory cheers
laughter shared over
defeat

the smell of our sweat still lingering
bits of confetti all around
the coache's last footsteps
click

the season is over
but a new one begins
and our timeless memories will
live on—

DO YOU

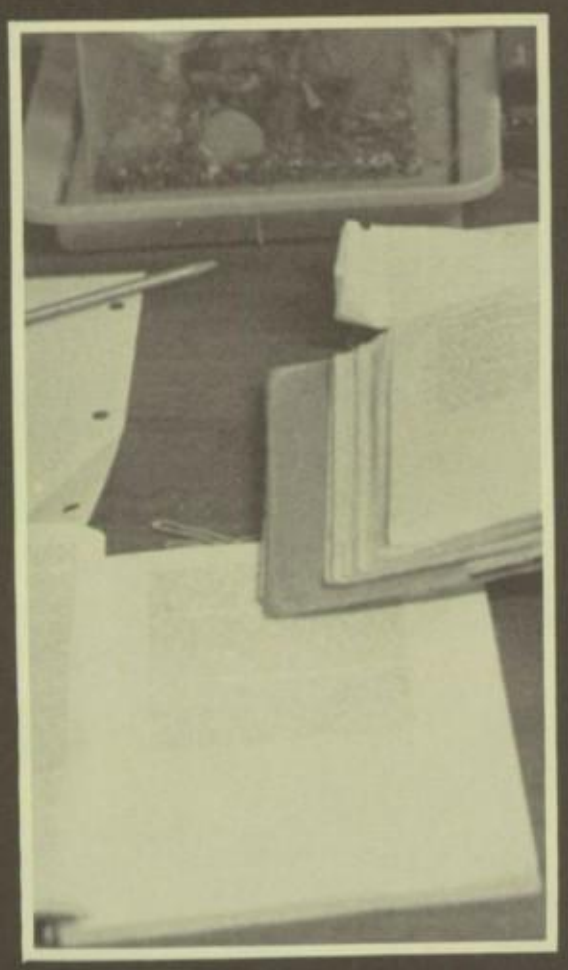
REMEMBER

familiar landmarks,

the bleachers after the game,

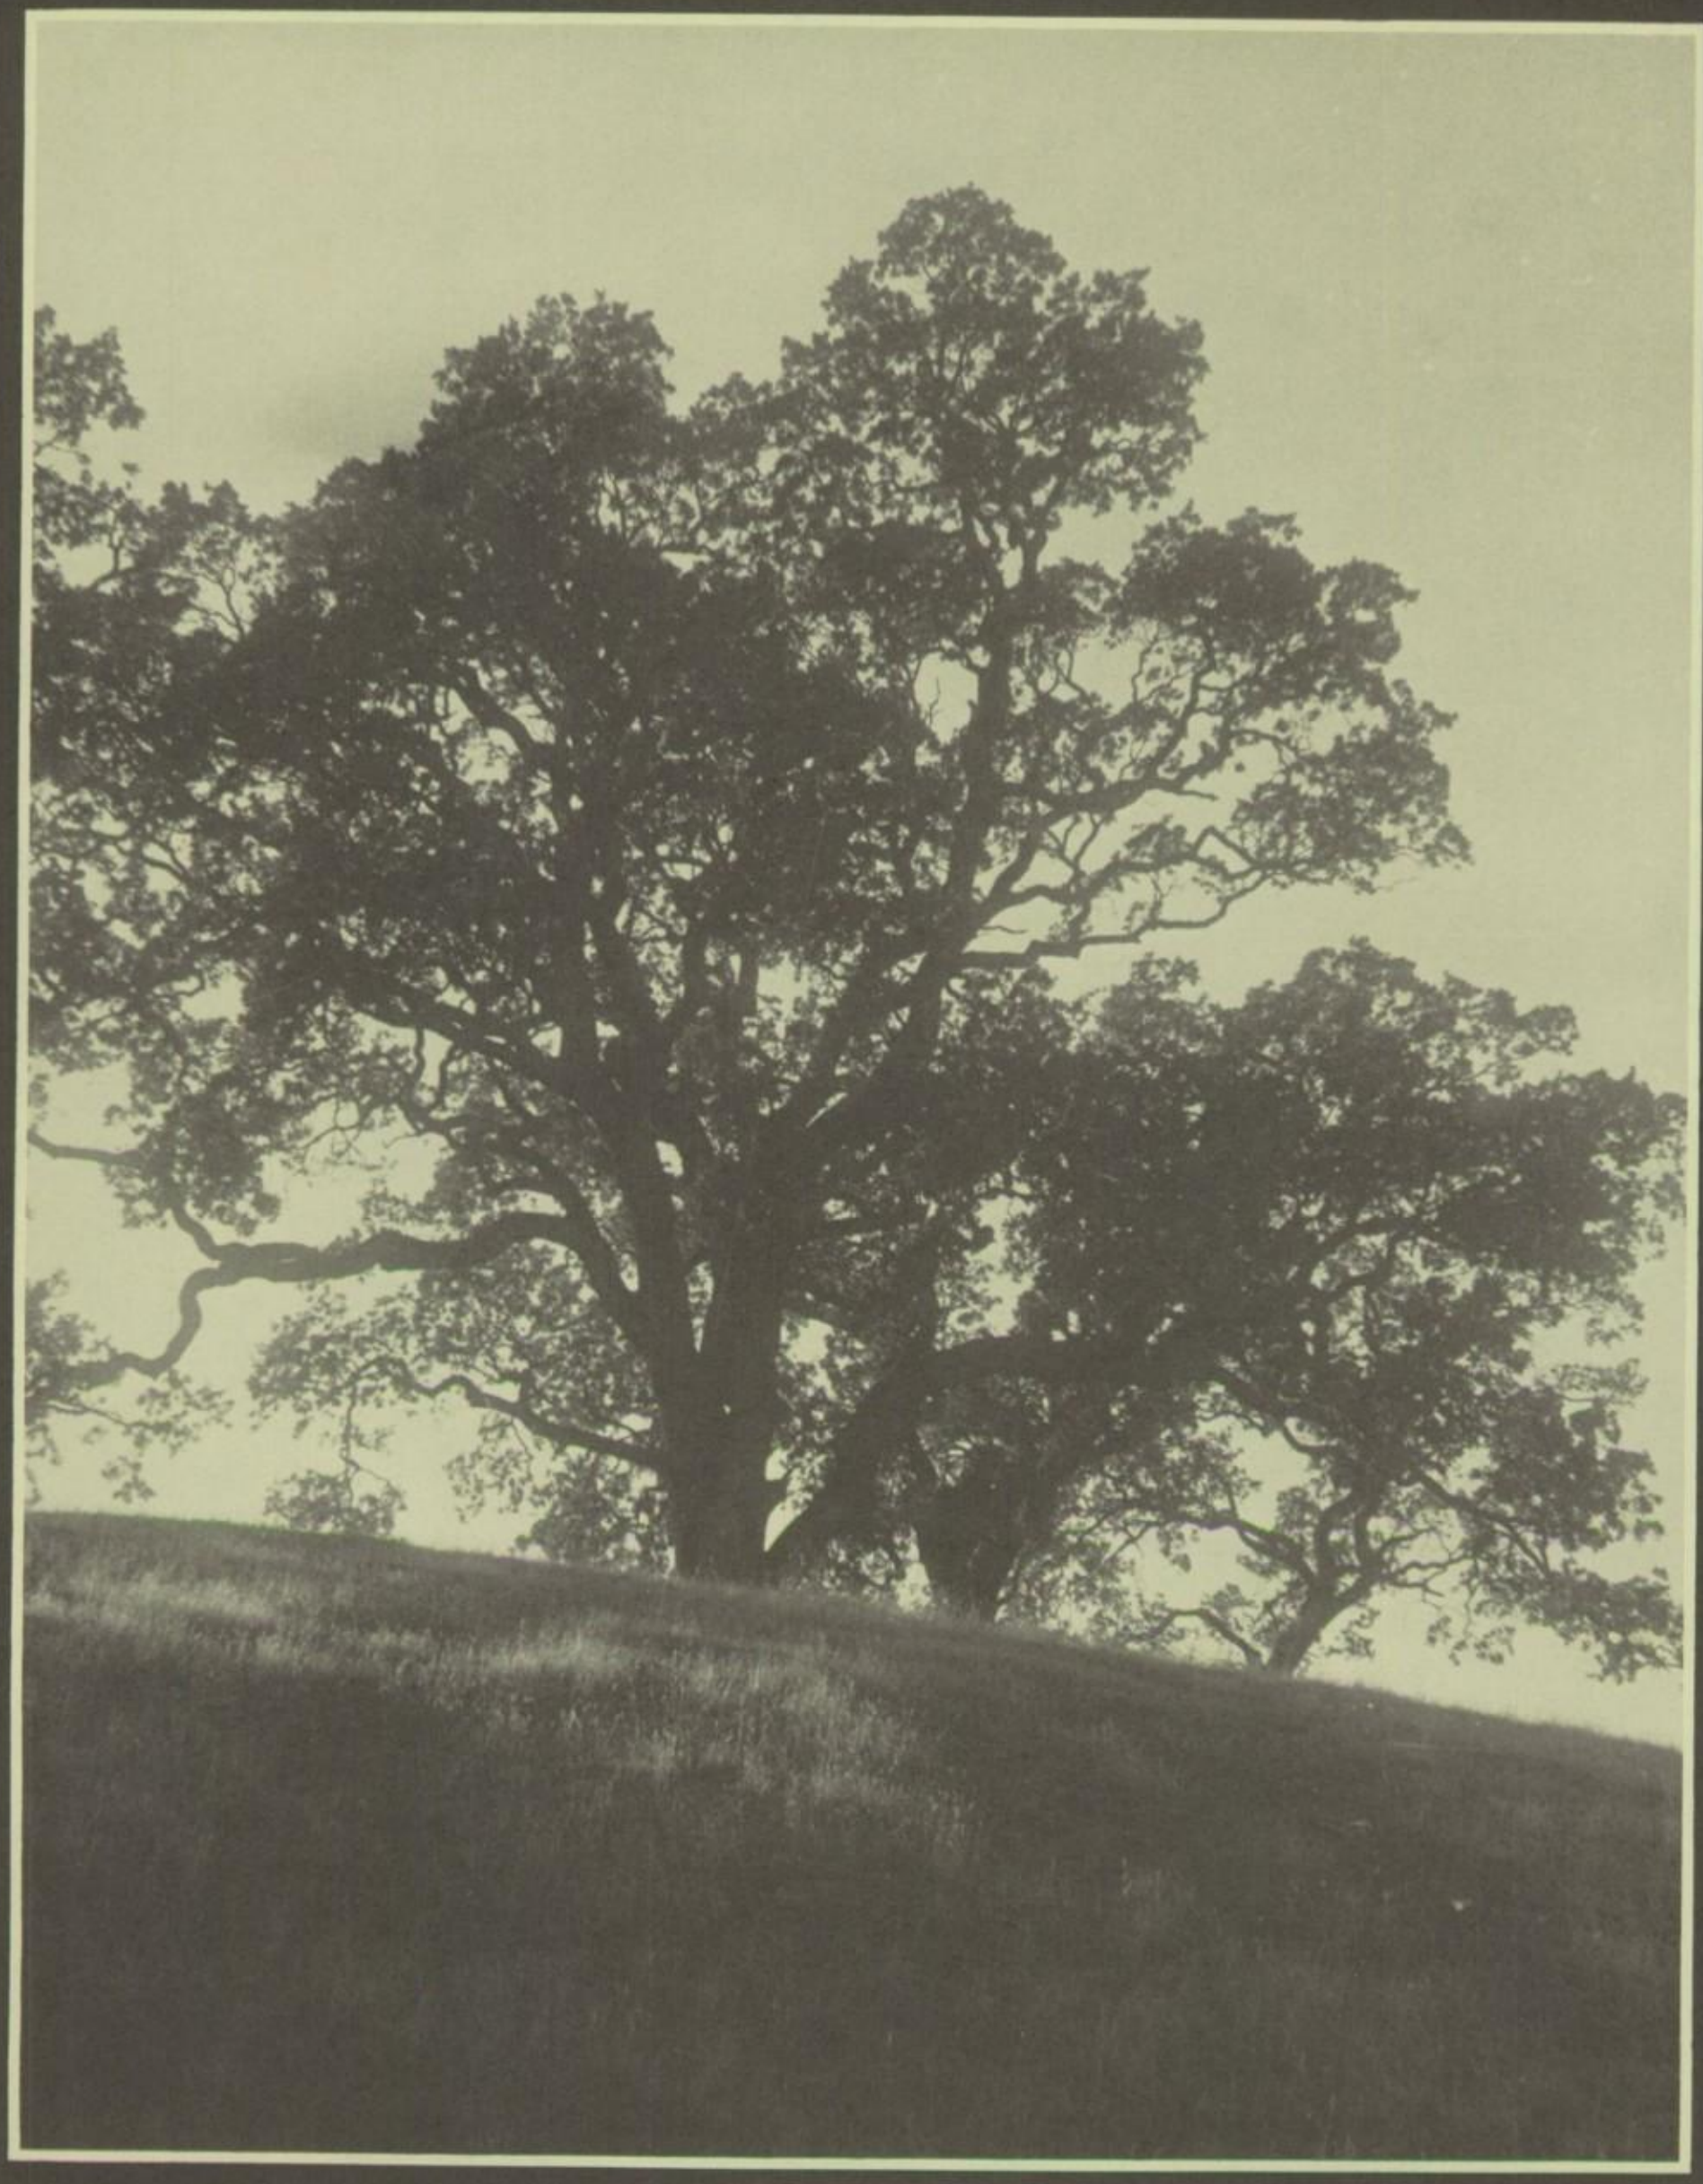
walking to school,

wasting time?



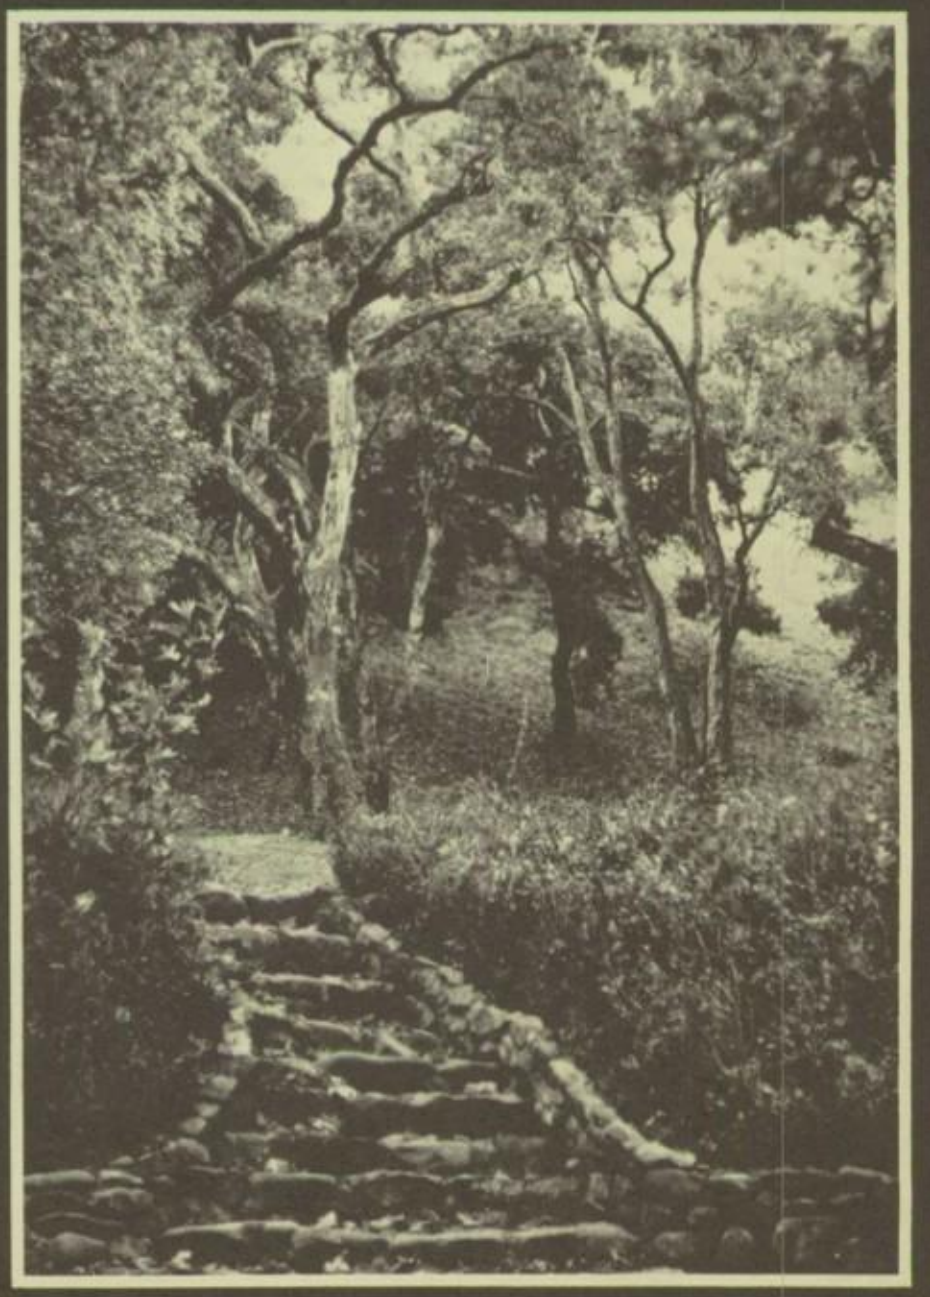
homework,

the hallways after school,



DO YOU REMEMBER THE CALMNESS ALL AROUND YOU, THE SILENCE IN THE AIR AFTER SCHOOL, AFTER THE GAME, AFTER THE LAST GOOD-BYE?

THIS IS PART OF OUR TOTAL EXPERIENCE. IT IS THE SUMMING UP OF THE DAY AND ITS TEACHINGS.



DEDICATION

Mr. Dolan's graduation from the University of Omaha in 1957. He graduated with a B. S. in Education. Major- Drama, Minor-English.

Mr. Dolan's studies were interupted by four years of service in the Navy.

Mr. Dolan and Mr. Fernandez as Varsity baseball coaches.

We, the student body of Piedmont Hills High School, dedicate this, the thirteenth edition of the Delian, to Mr. Paul Dolan.

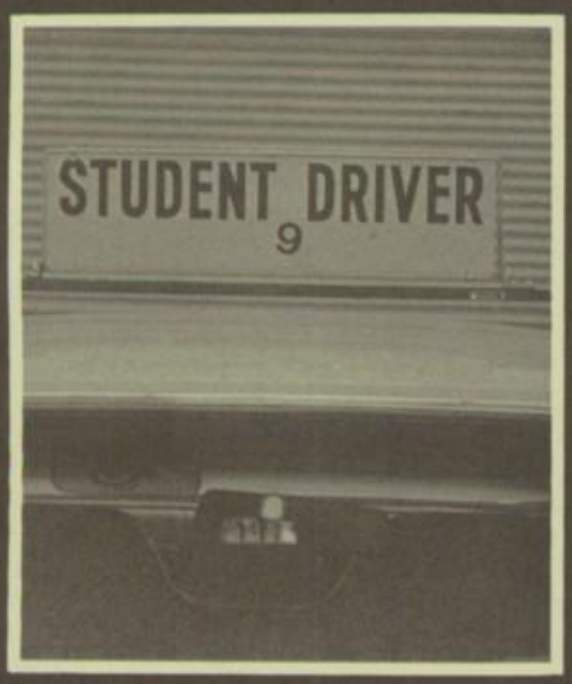
Among other attributes, Mr. Dolan is kind and considerate to students and faculty alike, and helpful and willing to spend his own time with his students.

Mr. Dolan is involved in several student activities including the Driver's Education Program and Drama.

Besides... He's a good Pedro player.

Great guy. One of the funniest teachers around.

He is a very nice and understanding guy. When he makes little jokes, everyone laughs.



Mr. Dolan is one heck of a nice guy. He treats everybody like they're someone special. Here's to you Mr. Dolan.

He's a very dedicated teacher.

Mr. Dolan is a hard worker and generous with his time.

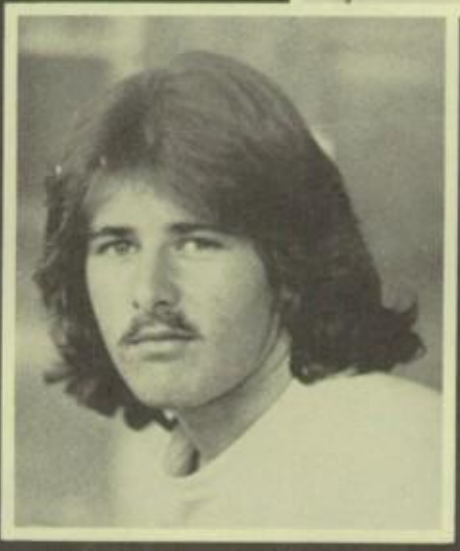
ARTS EDUCATION WEEK

April 3 through April 7, the City of San Jose Fine Arts Commision sponsored an art consortium in which the East Side Union High School District was the main participant. The purpose of the consortium was to promote interest in the arts and give students a chance to experience, first hand, different aspects of visual art, photography, music and dance. Piedmont and Mt. Pleasant art students took part in giving demonstrations and teaching and attending workshops in the San Jose United School District.



THE CAREER CENTER

From accountant to zoologist, your career center offers information about job requirements to help you in making some important decisions effecting your future lifestyle.

Some of this year's highlights were visits from the Fashion Institute, Pacific Telephone, the Air Force, and of course the ASVAB. Barbizon and a make-up expert also told of how to present the best appearence at work. The apprenticeship program and nontraditonal roles for women, plus college and military representatives rounded out the year.

F.A.N.T.A.S.T.I.C.S.

F.A.N.T.A.S.T.I.C.S. competition was close this year and almost won by the juniors. However, the senior class pulled through in the end by a slim margin. Freshmen proved strong in beating the sophomores, who lost points in sportsmanship.

The night was exciting and an overall success. Events included the basketball relay, the crab relay and pyramid building. Also included were exercises such as sit-ups and pull ups.

Scoring for the activity included sportsmanship, crowd participation and decorations for each section. Congratulations to the class of '79 for their big victory.

FOREIGN EXCHANGE STUDENTS

Danielle Brugger came to California in September from Switzerland. "I have a lot of friends at Piedmont," Danielle remarked. "Students have been very nice to me." Danielle, who is finishing her senior year here at Piedmont, is staying with the Fox family until July. She states that they are a very nice family. Danielle exclaimed, "I like California very much. I think it will be hard for me to leave this country and everybody I met here."

Eiko Iguchi came to San Jose in late August from Japan. Eiko, who is in the twelfth grade, has been staying in the U.S. for one year. "Schools here are very different from those in Japan." She explains, "the schools their are strict and hard." The first few months of her stay, Eiko had a problem with her English, but as the months went by, she was able to understand our language more and more. Eiko stated, "I have met a lot of people and made many friends. I wish I could always stay here."

Carlos Navorro Cobrol de Vasconcillo was born in Mociio City, and presently lives in Rio de Joneiro, Brazil. "I enjoy going to Piedmont", stated Carlos, "the school is so different and much easier than the schools back in Brazil." Carlos thinks of California as a very "modern" place. The only problem Carlos has, is with the English language. He claims that our language is difficult for him to speak. Carlos enjoys staying in San Jose and meeting new friends, but he prefers his own country.

PIEDMONT HILLS VARSITY FOOTBALL

The 1977 Varsity Football team has taken a step towards the future, with many young players returning in hopes of competing for a championship program in the years to come. This years Pirate team met extremely tough division opponents who all boasted senior teams. The Pirates did very well in pre-season games, beating Harbor and Pioneer High Schools. One of the Pirates best games was against last years league champions, Santa Teresa.

This years varsity team was led by team captains Tim Allen and Randy Scott, Outstanding Lineman Milton Diaz and Outstanding Back Ernie Christmas. The coveted Latendress Award went to Thad Orazco for his play.

The 1977 Junior Varsity Football team came upon hard times. They were mostly a sophomore team with very little experience. Also handicapping this years team was a small squad. This meant that most of the players had to play both offense and defense for the entire game. They were a determined group of players who stayed together and worked hard to improve on their own individual skills and techniques. Leaders on the team included Jerome Shearer, Bary Willhite, Darrell Eustice, Jim DeBose and Steve Williams. Steve Williams received the Most Valuable Player award for the team. Dave Sweeney was also a standout for the team until an injury prevented him from completing the season.

After two early losses, the young Pirate football team won 4 out of 5 games to finish in 4th place in the MHAL. The team was lead by the over-all play of MVP, Paul Brun, Kenny McCain, and Randy White. Other standouts were running back Ron Colleton, team's leading scorer; Dave Spaktes, top defensive player; and Dave Cordell, over-all player.

The young Pirates improved greatly over the year, and by the end of the season had to be one of the best teams in the league. Congratulations on a fine season, and good luck in the future at Piedmont Hills.

The 1977-78 Varsity Basketball season began on a high note with a piar of wins over Homestead and Andrew Hill. However, the loss through injury to the expected floor leader, John Brunolli, began to take its toll as the Pirates hit the tournament trial. Although the backcourt responsibilities were adequately assumed by Kieth Jordan, turn-overs haunted the team throughout the year. A win over Independence in the Sixer Holiday Tournament and a pair of unexpected wins over Milpitas were the only other victories of the season.

Senior Eric Berge capped his high school career by being named First Team All-Leauge, North Division.

The prospects for the future are bright as only three players graduate and the experience gained this year will undoubtly move the Pirates back into their traditional role as a title contender.

FROSH/SOPH BASKETBALL

This year's Frosh/Soph team finished with a overall record of 13-11, and a league record of 7-3, second place in the North division. The team was led by leading scorer and rebounder, Curtis Codey. He was followed by a well balanced attack. Captain, Scott Pelton, provided great floor leadership, defense, and scoring. Mike Whetstone emerged as the second leading rebounder with over 200 rebounds for the season. Ray Gioiosa provided a needed scoring punch, ending up as the team's second leading scorer in league play. And Gary Willhite's quickness gave the team another threat with his team leading steals. Those five, plus the back up of Paul Brun and Alex Vega, gave the Frosh/Soph team a successful season.

This group, as a team, was the finest group of gentlemen and people I have ever had. This season, although not producing a championship, was one of the most enjoyable seasons I've had. Many of these players have much potential to play for Piedmont Hills in the future and I wish them all the best of luck!

This years team met up with very tough competition all through out the year. In their games that they did lose, they were to three of the top 10 teams in the C. C. S. All League selections were Mark Messerschmidt, Pat Dietz, Eric Kuhne, and Brian Ota Honorable Mentions. Greg Burke, and Sam Re recieved Second team. And the Pirates landed three first teamers Jeff Meyers, Matt Bouchard, and Gonzalo Sandoval. Gonzalo Sandoval was also selected as the Co-M. V. P. of the Northern Division.

This years Varsity wrestling team was a very surprising one for everyone. The team overall record was 6-4 with a 3rd place finish in the MHAL North Division behind Overfelt and Independence.

The team ended in 8th place in the League tournament with six wrestlers qualifying for the Region III Championship.

Many wrestlers did a fine job this year with excellent individual performances turned in at invitation tournaments and dual meet competition. These included: Bruce Falconer who placed 3rd in League and was selected team MVP. Tim Allen who got 4th in League and Ernie Cristmas, who surprised everyone at the end of the year with a 1st in League and in CCS.

Next year promises a brighter future with the upcoming Frosh/Soph squad.

Our soccer season was a very good learning experience for both, the players, and myself. Our team record was not really indicative of the progress that the young ladies made throughout the soccer season. Most of the girls improved their basic soccer skills despite the handicap of wet fields through most of the season. At the end of the games it was often difficult to tell members on the Pirate team from their opponents. The team is looking forward to a brighter season next year.

J. V. ACTION

This year's J. V. Softball team started off the season with a practice game against Blackford High. Several games were rained out early in the season as rain fell continually through January, February, and March. At press time, league action had hardly begun with games against Lick, Overfelt, Milpitas, and Independence when a new barrage of storms hit, slowing action once again. Despite the weather, the team showed good progress and was looking towards a strong league finish.

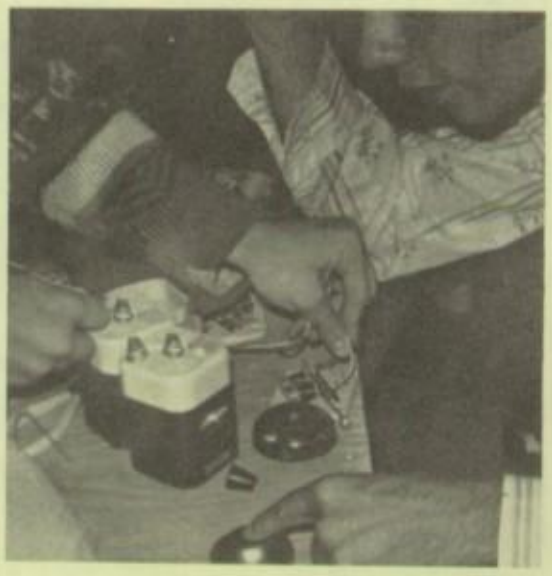
THE DRAMA DEPARTMENT

The Drama department isn't really all fun and games. Before the curtain rises for the first time, plenty of hard work must be done. The set, built piece by piece, must be put up and painted with a great deal of care. Lights must be set, furniture put in place, props gathered, all before a show can be produced. The cast members must be on good terms, for they will be working long hours together. There can be no oneupmanship in either the cast or the crew. It can turn a show sour, even before it opens. However, the cast is not the whole show, they just happen to be the only ones seen. Backstage is the crew who keep the show running smoothly. They are responsible for the lights, the curtain, the props, and the scene changes. It just goes to show, "Behind every good cast, is a great crew." All for one, one for all, the show must go on!



The Cast. Left to right. Back row: Tom Bunt (Roy), Joel Jackson (Vinnie), Dave Nixon (Speed), Roger Harrisay (Murry). Front Row: Danny Kump (Felix), Jaque Hoover (Gwendolyn), Sandy Newell (Cecily), Jeff Webber (Oscar).

The Crew. Left to right. Back row: Gary Clements- set director, Jean Daniels - house manager, Ken Rogoway- lighting director, Mitch Shetterly - technical director, Ellen Hilgerson - make-up coordinator, Margo Biron - sound director, Joe Pfeffer - electronics, Sandi Feirier - make-up, Dan Daily, lighting assistant.

I don't know what to write, so Goodbye!!. (Ha, Ha). I ~~think~~ know you are a very special person to me in all aspects. You've always been there when I needed to talk to someone and I think that is the best thing about us. We can be really good friends without being too involved. I had you in three classes this year until I moved out of one (I never did like Judnich) (or Clark, or misere. I love you Kelley, as a really good friend, you're somebody I can count on when needed. Remember you're Sunburn? That was a joke hahaha. My mind is a blank! I had all kinds of things to say but being the absent minded person I am, I forgot. I know you'll have a ball in everything you do because that's the kind of person you are. Damn! I wish I could think. oh well, all I gotta say is. . . . . Lotsa Ruck (translation: Lotsa Luck) in everything that you do in life and I hope we can still be friends throughout our lives. (I know we will)

Wrestlings #1 ~~besides~~ Jamie of course!

Love

Dear Kelly,
It was/is been quite awhile but I'll always remember the "good" times we had in Judnich's Class. Take care of yourself.
